EMERGENCY DISMISSAL INFORMATION

During the course of the school year, it may become necessary to close school early due to weather conditions or other conditions, which would make staying in school unsafe for students.

At such times, it is extremely difficult to contact parents by telephone to determine where each child should go. We are asking that you make advanced plans in the event they may be needed. It will not be possible to make phone calls to you during this time, therefore, completion of this form is important.
