

2019 Yearbook Order Form

Once again it is time to order your yearbook. The cost of the aquila is \$55. An additional \$5 should be added for one line of personalization (up to 29 character including spaces).

The yearbook staff is busy planning and laying out a 136-page full color yearbook. If you are looking for an extra gift for Christmas stockings, a note that a yearbook has been ordered and paid will make any Eastwood High School student very happy!

Because the yearbook staff must submit an initial number of copies ordered by the end of December, the deadline for ordering the yearbook at the \$55 price is Friday, December 28, 2018. **After that date, an extra \$5 will be added to the cost, making the base price of the yearbook \$60.** Return orders to the high school office.

Yearbooks may also be ordered online through the Josten's website at jostens.com. Options, including paying by credit card, are available online. Once again, the deadline for personalization and the \$55 price is Friday, December 28. **After that, the price is raised to \$60.**

Extra yearbooks will not be ordered, so do not delay in ordering yours. In order to include graduation, Marine Science, and spring sports, the delivery date is planned for mid-September 2019.

For any questions or concerns, please contact Mrs. Kristy Pioterek, yearbook advisor, at 419-833-3611.
