

WHAT YOU, AS A STUDENT, MUST DO TO OBTAIN A WORK PERMIT

There are three sections of this form to be completed:

SECTION 1: STUDENT/APPLICANT INFORMATION

Must be completed by you and signed by your parent or guardian.

SECTION 2: PLEDGE OF EMPLOYER

Must be completed by your employer and returned to you.

SECTION 3: PHYSICIAN'S CERTIFICATE FOR MINOR WORK PERMIT

Must be completed by your physician. If you have a current physical on file for athletics, that will be accepted.

This document is the application only. It must be turned in to the high school office to obtain the actual Work Permit that you will take back to your employer after it is signed. You do NOT need to bring in a birth certificate. A copy is in your permanent file.

A new work permit must be completed for each employer. A change of employer means you must secure a new work permit.
