Dear Community Members:

We have just four more student days until the extended Thanksgiving Holiday. This comes with some sadness as we have lost a young lady to complications while fighting cancer. On Monday, we learned that 8th grader Bridget Prochaska passed away over the weekend in Michigan. Bridget had courageously battled cancer for several months. On behalf of the entire school district, I would like to extend our deepest sympathies to parents Tony and Vickie.

KEEPING YOUR TEEN SAFE!

There will be a presentation tonight at Eastwood Middle School titled “Keeping Your Teen Safe” at 6:30. There will be a presentation with a Q&A afterwards. The event will be hosted by MS Counselor Connie Rutherford and our CRC O-Site Counselor Randy King. There will also be presentations featuring Wood County Prosecutor Paul Dobson, ATOD Counselor Hannah Jacobs, and Office Jim Knallay. This evening will provide parents with access to information on such important topics as Signs of Suicide (SOS), alcohol and drug use, and online safety.

There is an information sheet attached.

DIGITAL DIVIDE PRESENTATION

On Monday November 30th, there will be a presentation at Bethlehem Lutheran Church in Pemberville from 6:30-8:30 titled the Digital Divide. Programs like this have been hosted periodically throughout the district, and parents always come away with a better understanding of the challenges and possible solutions to helping them better deal with the massive digital divide in the knowledge base between themselves and their children. The Wood County Sheriff’s Office will be the presenters and their deputies do a phenomenal job. I guarantee you that it will be well worth your time!

FINANCIAL AID NIGHT!

Eastwood is hosting its annual Financial Aid Night for college bound seniors and their parents/guardians in the High School auditorium tomorrow, Thursday, November 19th at 7:00 pm. Eric Bucks from BGSU's financial aid office will be the speaker and will address topics such as how to fill out the 2016 FAFSA and information on scholarships and grants.

Thanks and have a great rest of the week!
