

**12.22.15**

**Dear Community Members:**

Winter has officially arrived in case you have not noticed yet! With it, our students are on break and hopefully everyone is getting ready to enjoy the holidays with friends and family.

I just have a couple of items for you today.

### **SOME IMPORTANT THANK-YOUS!**

Last night the Board of Education approved several large donations. The first is from Eastwood and BGSU alum Gary Haas Sr. Mr. Haas is donating a total of \$13,000 to help us replace the scoreboard for the baseball field. This will be a substantial upgrade for our facilities, and we GREATLY appreciate his generous donation.

Eastwood also will now have a Shumann baby grand piano for concerts and other performances thanks to John and Carol Bailey of the Piano Works in Pemberville. They arranged for the donation which has a \$4,000 value, and they helped us with the costs of some needed parts and arranged for delivery and set up. We enjoyed the piano at the Choir Concert last weekend, and look forward to its use for years to come.
