

Dear Community Members:

I hope all of you are doing well. It looks like winter will be back with some bite this week. With the off and on snow showers that are being forecast for the next couple of days, it is hard to know what the impact will be, but for our young drivers, it may well again provide a challenge. Please remind them this week that if we get a coating or dusting at the wrong time, they will need to make sure and exercise caution and slow down.

I have a number of items for you this week.

MORE RENDERED IMAGES

I am going to embed two images for you. You may have seen one which shows the planned building from the yard in front of the middle school, and the other shows the side of the building that will face to the east. This is where parents will drop off students in the morning. The bus drop off will be in front of the school. The parent drop-off and pick-up area will be in our largest parking lot to help accommodate the traffic we see at those two times of day – especially in the afternoon.

All three renderings are on the district webpage www.eastwoodschoools.org

COLLEGE CREDIT PLUS MEETING

There will be a mandatory meeting for all students and their parents interested in taking classes for college credit next year on Monday March 7th at 7:00 PM at Eastwood High School. College Credit Plus includes all coursework, classes taken at EHS as well as on campus, taken for college credit. There will be representatives here from area colleges, and there will be a presentation regarding eligibility and the overall program.

Eastwood HS is expanding its offerings that students can take here on campus. We hope that you can join us!

JUMP OVER CANCER FUNDRAISER

The Eastwood and Otsego High School and Middle School cheerleaders are coming together to battle cancer. They will be participating in their 7th annual “Jump Over Cancer” activity to raise money to be donated to the American Cancer Society. At halftime of the home varsity boys basketball game between Eastwood and Otsego on Friday, February 19th, the varsity, junior varsity, and middle school cheerleaders from both schools will be “jumping over cancer” by seeing how many cheerleading jumps they can do in one minute. They will be asking for pledges in the amounts of 25¢, 50¢, 75¢, \$1.00, or more for each jump they successfully perform. After the event, they will collect the pledges based on the number of jumps they did. A simple donation of money may also be given rather than a pledge. The cheerleaders are taking donations now and

will also be collecting donations during halftime and after the event at the game. To supplement their donations, the cheerleaders are holding a fundraiser at Buffalo Wild Wings in BG on Monday, February 15th from 5:00pm-9:00pm. When you present the attached flyer, 15% of your check will be donated to the American Cancer Society. Please help us in the fight to battle cancer! See any cheerleader to get involved!

BAND FUNDRAISER AT BOB EVANS

The Band will have a fundraiser at Bob Evans on Tuesday February 9th. The fundraiser runs from 7:00 AM – 9:00 PM and is good for dine in or take out.

FROM THE FOLKS AT SAMMIEZ RESTAURANT IN LUCKEY – NEW HOURS
