RASH OF FAKE BOMB THREATS

You may have recently seen stories about bomb threats being called in as hoaxes. It seems that some kind robocall is sent to multiple schools around the state at roughly the same time. The threats are generic in nature and seemingly untraceable.

We have a policy and procedure in place that is consistent with what has been suggested by the Department of Homeland Security, and if this were to happen at one of our schools, we will follow that plan.

BAND AWARDS

The Eastwood Band is proud to announce the acceptance of senior Faith Hardy, bassoon, to the Ohio Music Education Association Northwest Region Orchestra.
