

Good Morning!

I hope all of the moms out there had a very Happy Mother's Day. No job on earth is both as rewarding and hard as being a mom. Thanks for all you do!

I have mostly announcement type information for you this week. You can tell from the listing of announcements that we are in the final stretch.

Including today there are 15 days of school left for all of the underclassmen. Testing is for the most part complete which leaves everyone with one final drive and push to the end of the year. At this point in the year, everyone is tired and ready for school to end and summer to begin. However, there is still important work to be done. Please stay positive with your kids/grandkids and support them on those tough nights when they just don't want to study or do homework anymore. Last week, I shared the metaphor "Don't let go of the rope" at Academic Awards for the HS. This simple thought is one we can all relate to, and for students it is crucial. We all need to encourage one another to hang on and finish the task that we started in August.

### **EASTWOOD WELCOMES JOE WANK AS PRINCIPAL AT LUCKEY ELEMENTARY**

Last week the Board formally hired Joe Wank to serve as principal at Luckey Elementary School. Dr. Brennan Krueger will move back into her previous role as School Improvement Specialist which created the vacancy.

Mr. Wank has ten years of experience as an elementary principal at both Woodmore and Oak Harbor. He has an excellent track record as a building administrator and teacher. He also served as one of the point people for Woodmore's successful building project.

While he will officially begin August 1<sup>st</sup>, we anticipate that he will be involved with planning sessions as we prepare for 2015-16 school year.

Welcome Joe!
