

Dear Community Members:

I have several items for you tonight.

EASTWOOD PLEASED TO WELCOME BRAD McCRACKEN AS NEW TREASURER

Long-time Eastwood Treasurer, Dave Michel, will be retiring at the end of the calendar year. The district is pleased to announce that at tonight's Board of Education meeting they hired Firelands Treasurer Brad McCracken effective 1/1/2016. Brad has an extensive private sector background in a number of financial and quality control areas. He also has served as the Firelands Treasurer for the last five years and during that tenure served as both the Firelands and Wellington Treasurer. His experiences and recommendations were superb. To top it off Brad has been an Eastwood resident for roughly the last 15 years.

I am personally looking forward to developing a great working relationship with Brad.

LUCKEY FALL FEST THIS WEEKEND

There will be a number of Eastwood students and organizations that will be involved with festivities at the Luckey Fall Fest this weekend. The festival begins on Friday and runs through Sunday. Our FFA students will once again help with the antique tractor pull tomorrow. All weekend the Musical Boosters will be selling Waldo Burgers to help raise funds to support the Eastwood Musical. Our Key Club will again be selling root beer floats to raise money for charity. We will have dozens of students and families working at these and other events to help make the festival a great experience for all!

RUMMAGE SALE AT THE TROY-WEBSTER LEGION

There will be a Rummage Sale this weekend at the Troy-Webster Legion in Luckey. Proceeds will be used to support our veterans. There is a flyer attached for more information. Please consider dropping by to support the Legion and all they do for veterans in our community.

HUNGARIAN STUDENTS TO VISIT EASTWOOD HS

As if we did not have enough going on!! We are proud to have the opportunity to host five students from Hungary and their chaperones tomorrow at Eastwood HS. They are here as part of a broader cultural exchange. They will meet our students and have a presentation tomorrow. We are always pleased to host students from other countries and are looking forward to tomorrow.

That is it for tonight. Have a great Friday and weekend!
