Dear Community Members:

I hope this email finds you well. I want to begin by thanking the staff and students who helped make Wednesday's Veteran's Day Assembly a special event. Mr. Obrock and his team planned an excellent program supported by our student leaders, the Eastwood HS Band, and the HS Choir. Great job everyone!

However, I would be remiss if I did not recognize the real stars of the show, our Veterans and the Quilting Eagles who did an amazing job on the quilts for our Korean Vets. I will attach a couple of the pictures to this email, and I think we will have some up on the webpage, www.eastwoodschoools.org, very soon. These ladies created wonderful quilts for a dozen veterans under the Quilts of Valor program whose mission is to cover service members touched by war with a comforting and healing quilt. You can learn more by visiting <http://www.qovf.org/>. The Quilting Eagles are a group of retired Eastwood teachers who continue to serve this district well after their time educating our kids has ended.

We are PROUD of our VETS and THANK YOU Quilting Eagles!
