Dear Parents:

It's time to plan bus routes for the 2020-21 school year, and we need to hear from you. A MAXIMUM of TWO locations for busing can be requested, i.e., a primary address, and ONE secondary address (such as a babysitter) that is 1) located on an established bus route; and 2) will be used in conjunction with a *consistent, repetitive* weekly schedule. This schedule will be put into place for the entire school year. If modifications are needed, this request form must be re-submitted, and once approved, will be implemented after 3-5 business days. We are unable to process telephone requests.

Please return this form by May 4, 2020 (various methods of return outlined below) even if you do not need to change your busing for next year. Any modifications to this plan must be made through the Transportation Department IN WRITING by Friday, August 7, 2020. **Changes requested after August 7 may not be implemented until WEDNESDAY, SEPTEMBER 9, 2020.**
