

## 2023 High School Yearbook Order Form

Once again it is time to order your high school yearbook. The high school yearbook staff is busy planning and laying out a 136-page full color yearbook. If you are looking for an extra gift for Christmas stockings, a note that a yearbook has been ordered and paid will make any Eastwood High School student very happy!

The cost of the aquila is \$55. An additional \$8 should be added for one line of personalization (up to 29 characters including spaces). Because the high school yearbook staff must submit an initial number of copies ordered by the end of December, the deadline for ordering the yearbook at the \$55 price is December 31, 2022.

**After December 31, 2022, an extra \$5.00 will be added to the cost, making the base price of the yearbook \$60 or \$68 for personalization.** Return orders to the high school office or **order online through the Josten's website at [jostens.com](http://jostens.com)**. Options, including paying by credit card, are available online. Once again, the deadline for the \$55 base price is December 31, 2022. **After that, the price is raised to \$60.**

Extra high school yearbooks will not be ordered, so do not delay in ordering yours. In order to include graduation, Marine Science, and spring sports, the delivery date is planned for mid-September 2023.

For any questions or concerns, please contact Mrs. Kristy Pioterek, high school yearbook advisor, at 419-833-3611.
