HOME OF THE EAGLES

Dear Parents:

Eastwood Local Schools will no longer be using the Instant Alert system for informing parents of delays, closings, and other important information effective March 1, 2020.

The district will be switching to a free text and email service called Ohio Alerts. While many of you have already made the switch, most parents and families have not.

You may sign up for these alerts by following these simple steps.

1. Go to <http://www.ohioalerts.org/eastwood> using any web browser.
2. Click on "Subscribe to Alerts" on the left side of the page.
3. Enter your name
4. You do not have to enter a date when you no longer wish to receive these text messages.
5. There is an option to receive alerts via text alerts and email. You will complete one at a time, but they work the same way. They would be the same alert.
6. Enter your MOBILE number. This will not work with phones that do not get text messages.
7. Click on your Mobile Service Provider
8. Click on the alerts you would like to receive.
9. Follow directions for the remainder of the form.
10. Repeat and click on the email button if you would like to receive the notice as an email as well.

It really is as simple as that! I would strongly suggest that parents click on the transportation links if they have kids riding the bus.

There is also a link called Eastwood Critical Incident. This will be used should we have a serious incident that we need to get out to parents. I would strongly encourage you to sign up for this along with the Delay and Closing texts/emails.

Again, effective March 1, 2020 you will not receive closing or delay information unless you sign up for Ohio Alerts.

Best wishes!
